

# ILI\_ILI Modular Pendant Lamp | PROM QUEEN (BDE)

PRODUCT FACT SHEET

## DESCRIPTION

ili\_ili (either\_or) is our series of modular pendant lamps. The line consists of six different elements which can easily be combined in various ways by simply linking them together, enabling customers to create a number of different lighting fixtures to suit their preference. The aluminium parts are all handmade and powder coated in fourteen different matte shades of colour. Plastic canopy is included.
